Dear Riverside Drive Parents and/or Community Members,

Our parent and community volunteers are an integral part of our school. As parents, grandparents, and community members, you have ideas, talents and time to share with our students and our school. It is our belief that volunteer programs are beneficial to everyone involved. These programs also help to foster stronger school/community relationships by creating a common ownership in the success of our school.

As you may be aware we offer a valet service located on Ethel Street called “Kiss and Go” from

7:30 a.m.- 8:01 a.m. This invaluable program helps to ensure students enter the school campus safely. In an effort to increase the efficiency of this program we would like to recruit volunteers to assist at the valet. If you would like to volunteer at the valet please complete the requested information below and return the form to the main office. You will be contacted by personnel from our main office to start the volunteer process.
